Meet in the Youth Shed located behind the church

CHILDREN'S CHURCH

During the last portion of our 10:15am worship service, Faith offers "Children's Church" - it allows families to worship together and gives parents a chance to hear the sermon with less distraction. Around the time of the offering, children are dismissed to the side door of the sanctuary and into the music room for a Children's message. Since the sermon is at the end of worship, parents can collect their kids just after worship ends.
