SCHOOL CHOICE INFORMATION

Did you know that Nebraska is one of five states that don't offer a School Choice benefit to parents? What is School Choice? How might this benefit parents who send their children to Christian schools?

Come and learn how current legislation can positively help our Lutheran schools at **6:30pm on Tuesday, February 27** at Lincoln Lutheran.

INFLUENZA NOTICE

The Lincoln-Lancaster County Health Department is reporting large numbers of Influenza A & B in our community. Our school has had cases in different classrooms. We are doing extra cleaning, handwashing, reminding students to cough into their sleeve (cough pocket) and we are asking families to keep children home if they are showing symptoms of influenza. Children must be 24 hours symptom free without medication before returning. We recommend contacting your medical professional if anyone in your household has symptoms.
